

Hello!

MEET YOUR SCHOOL  
COUNSELLOR (FSLW)

**Ms. Hynes**

Margaret Wooding School

I am the school counsellor for Margaret Wooding School. I am a registered social worker and I've been a FSLW with PRPS for over 20 years working with students from K-12. I'm passionate about helping children be their best selves. I offer individual and small group counselling to students who need support, help families connect to needed services and teach social emotional health.

**To refer your child, please contact me at:**
