- Please do not send binders with your child. Due to space issues, MWS provides duotangs to organize student work.
 - All supplies are needed on the first day of school. You will notice that for some items we have asked for multiple, this is so that students have a backup in case the original is lost or broken. Extra items will be safely stored for each individual to use throughout the year. Unused items will be returned at the end of the year.
 - **When purchasing materials for your child, please do not purchase fidgets, ne-do, or other toys for the students to bring to school. We will have sensory tools available in classrooms for students if and when they need them.**

To help students keep track of their items, please label each individual item with a sharpie. This really helps students to keep track of their items.

*****All students are required to have indoor school shoes and outdoor shoes for each day.**

We look forward to seeing you in in the next school year.

Our first day of school for all students is Tuesday, September 1, beginning at 8:25 am.
